View

General Settings

Manage your site settings, including language, time zone, site visibility, and more.

Site profile

Save settings

Site icon

Site title

Yangji's Blog

Site tagline

Blog Post writing Demo

In a few words, explain your site.

fi

Make an incredible logo in minutes. Pre-designed by top talent. Just add your text.

Site address

yangji8.wordpress.com

+ Add custom address

Buy a [custom domain](#), [map](#) a domain you already own, or [redirect](#) this site. [You can change your site address in Domain Settings.](#)

Language

EN English

The site's primary language. [You can also modify your interface's language in your profile.](#)

Site timezone

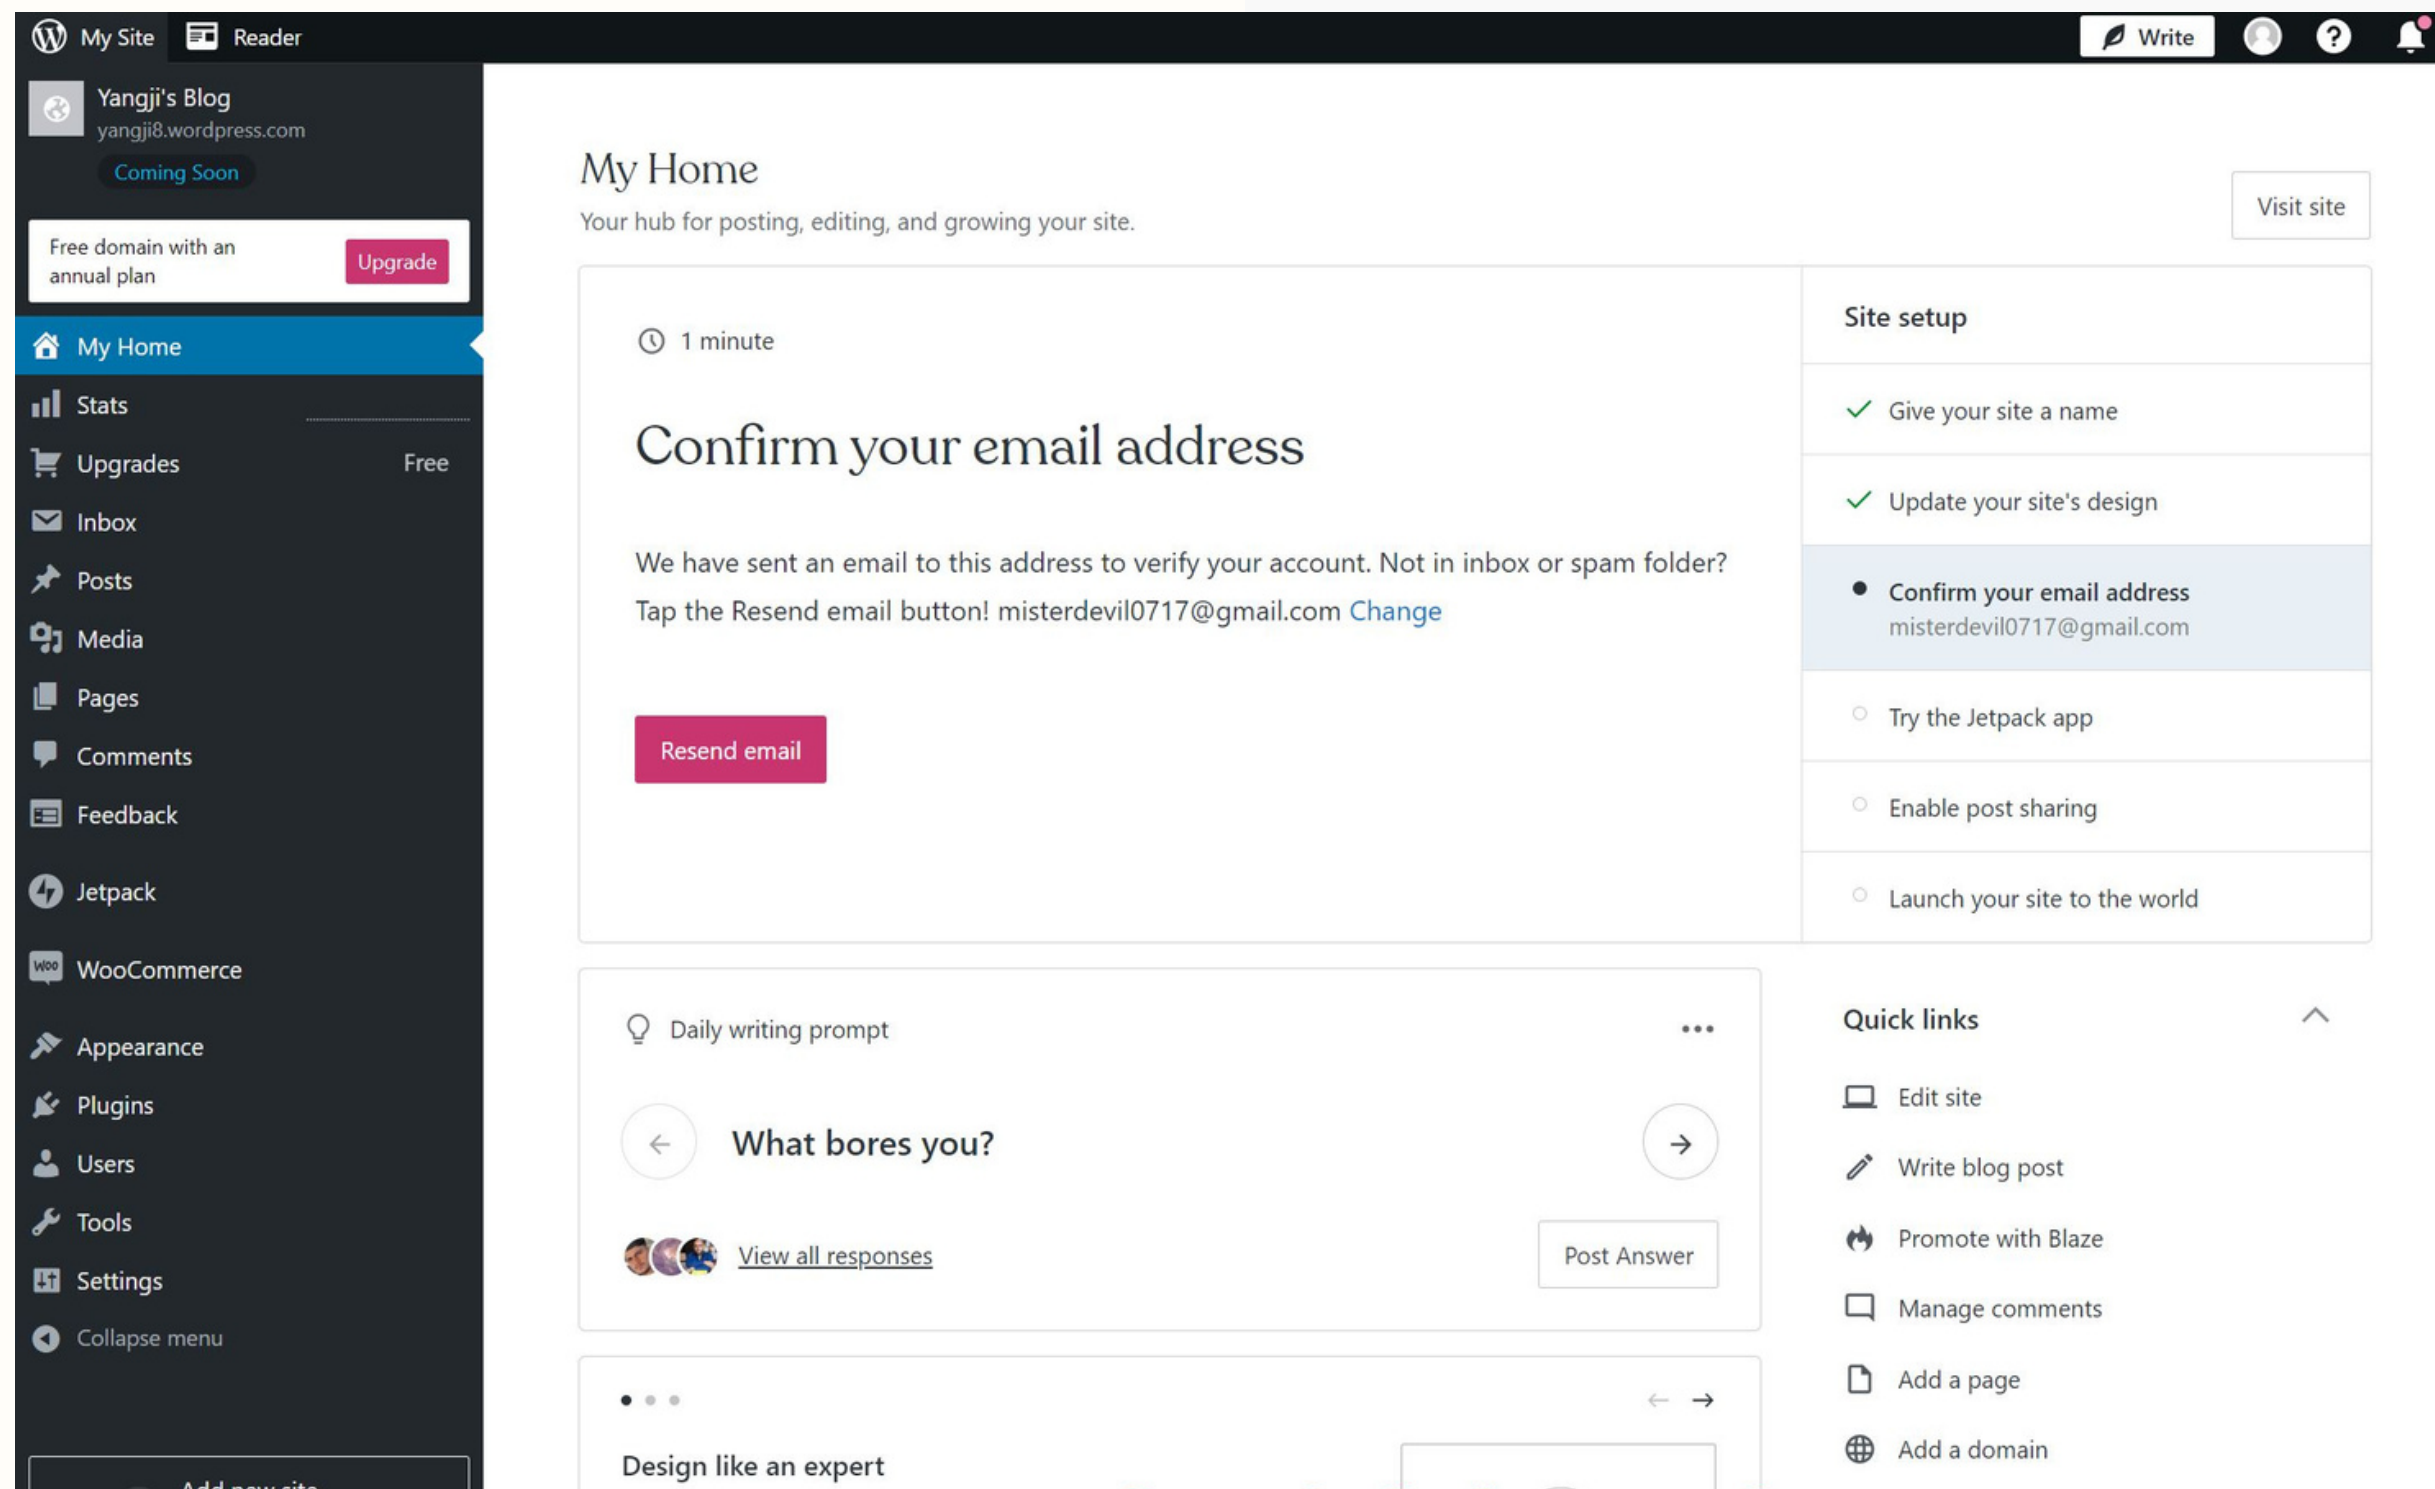

Kathmandu

Update the Site Title and Site Tagline fields to let visitors clearly identify your site.

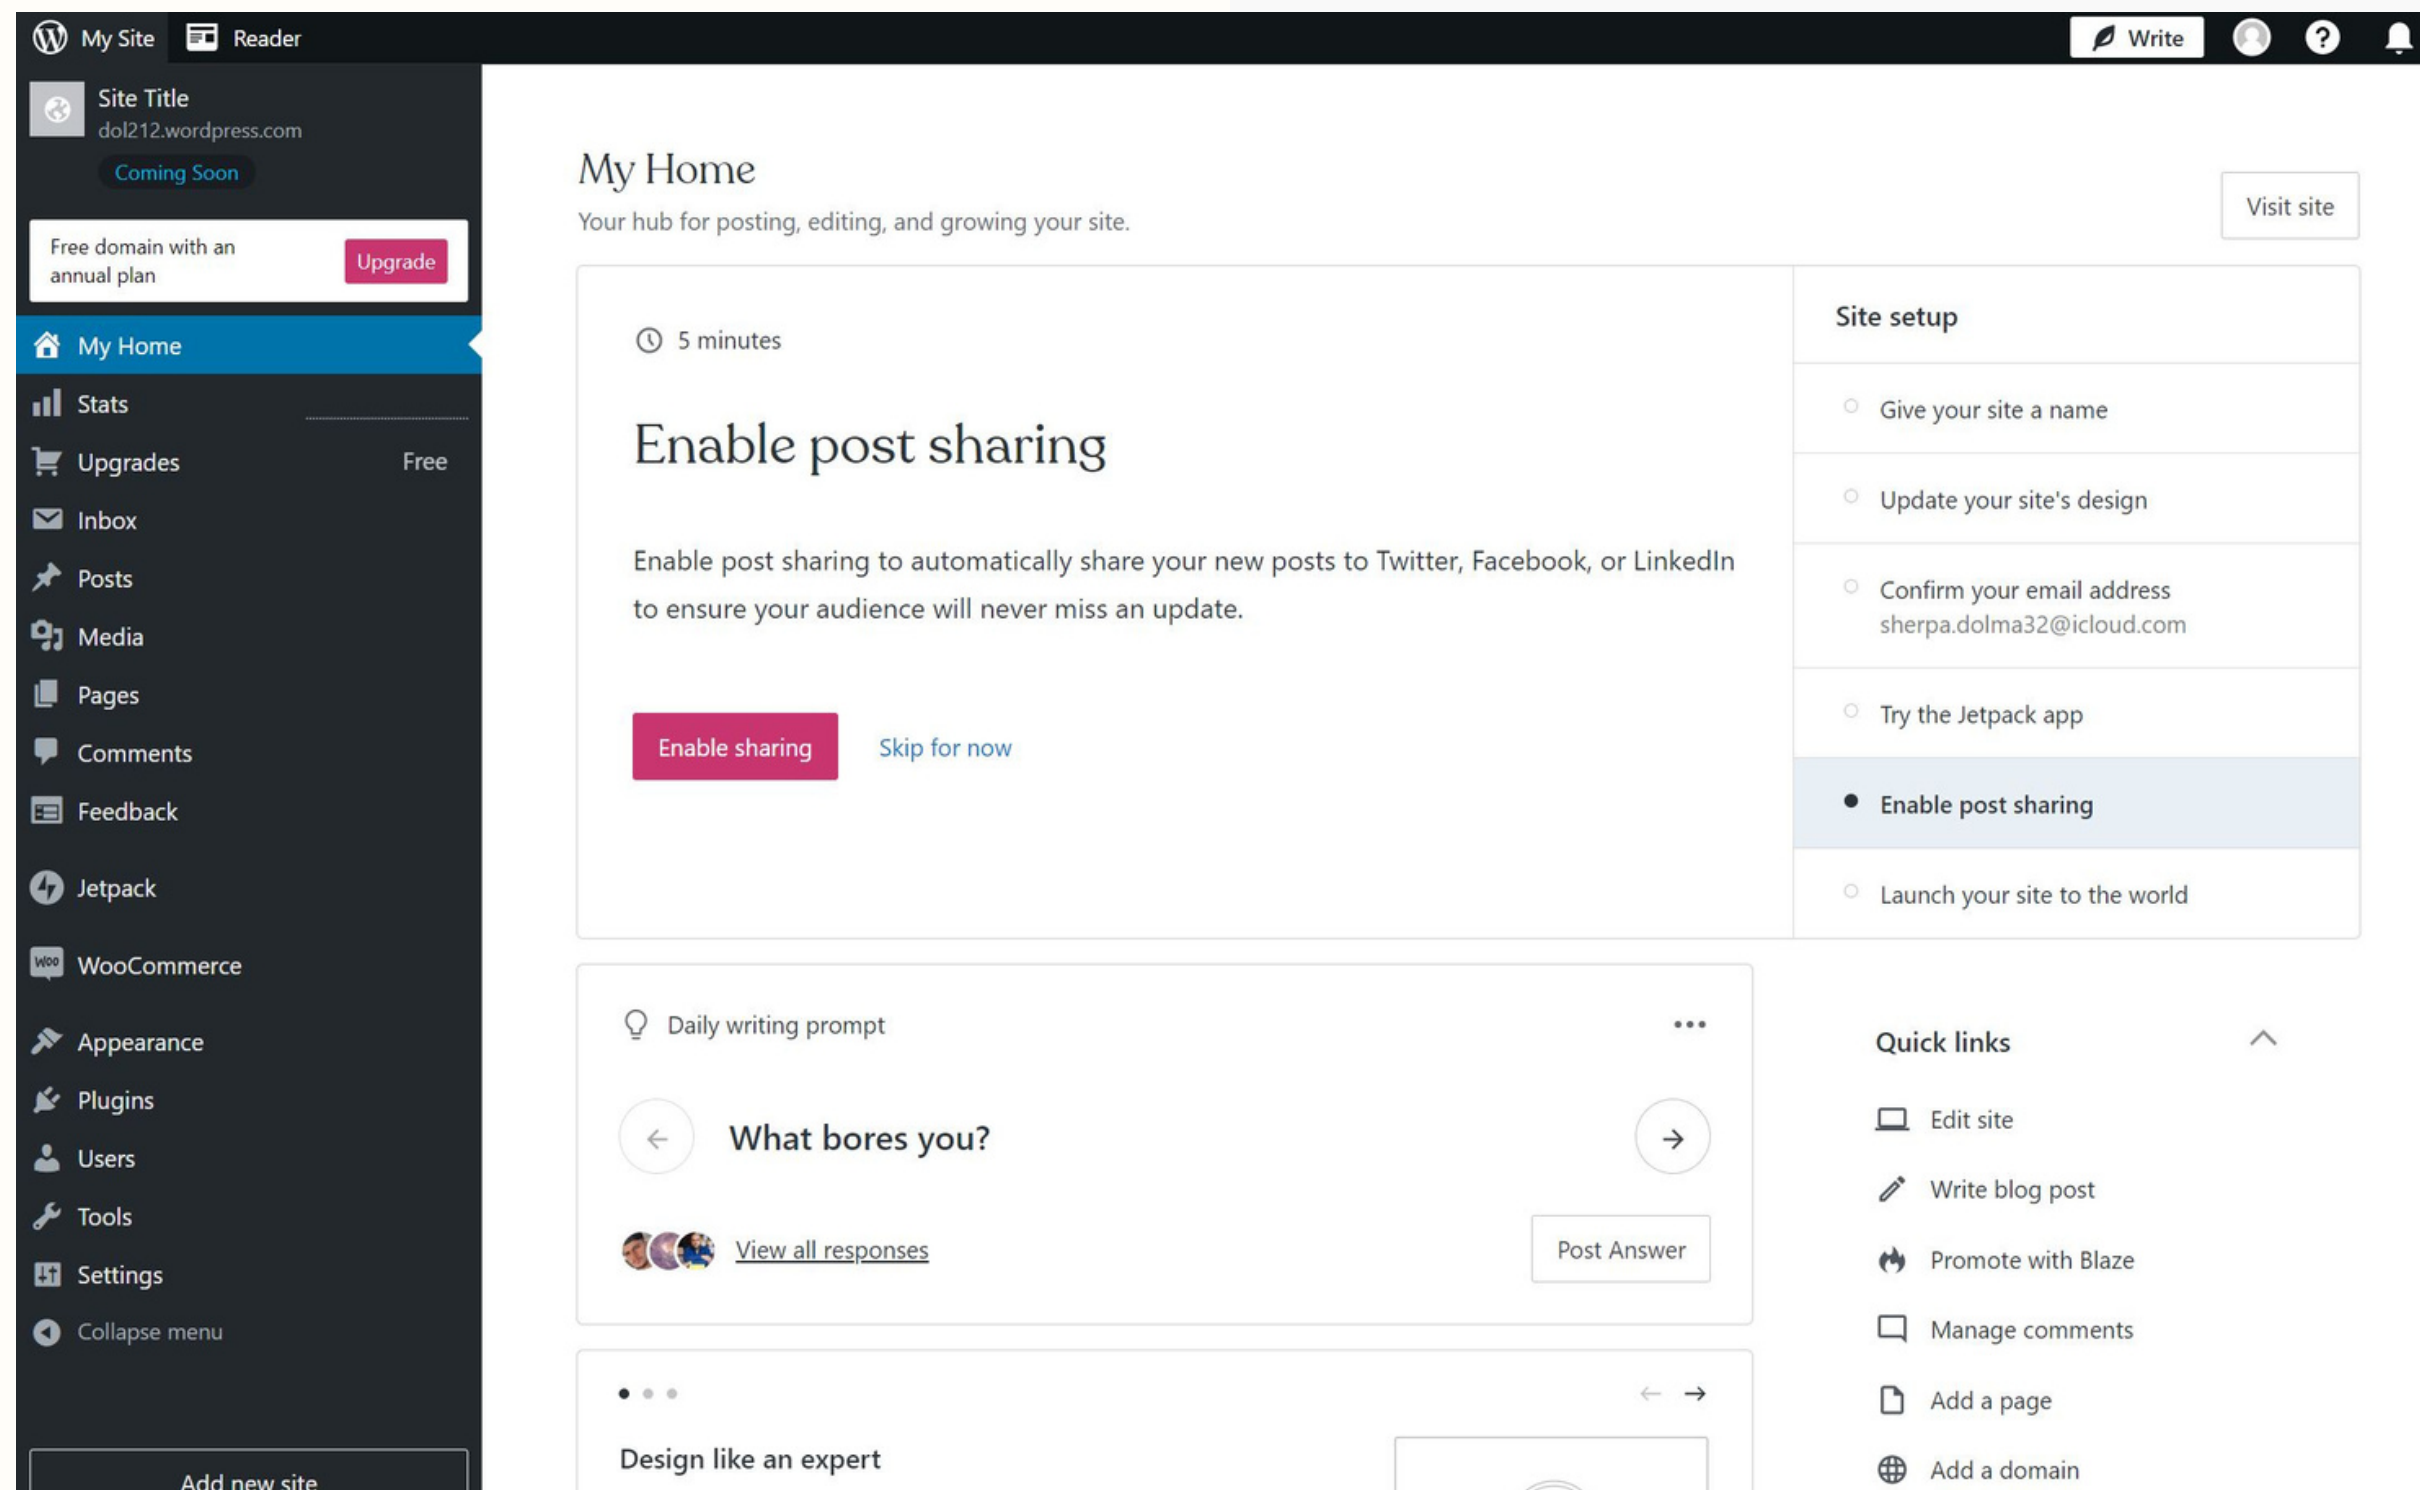

All done, continue

Return to My Home

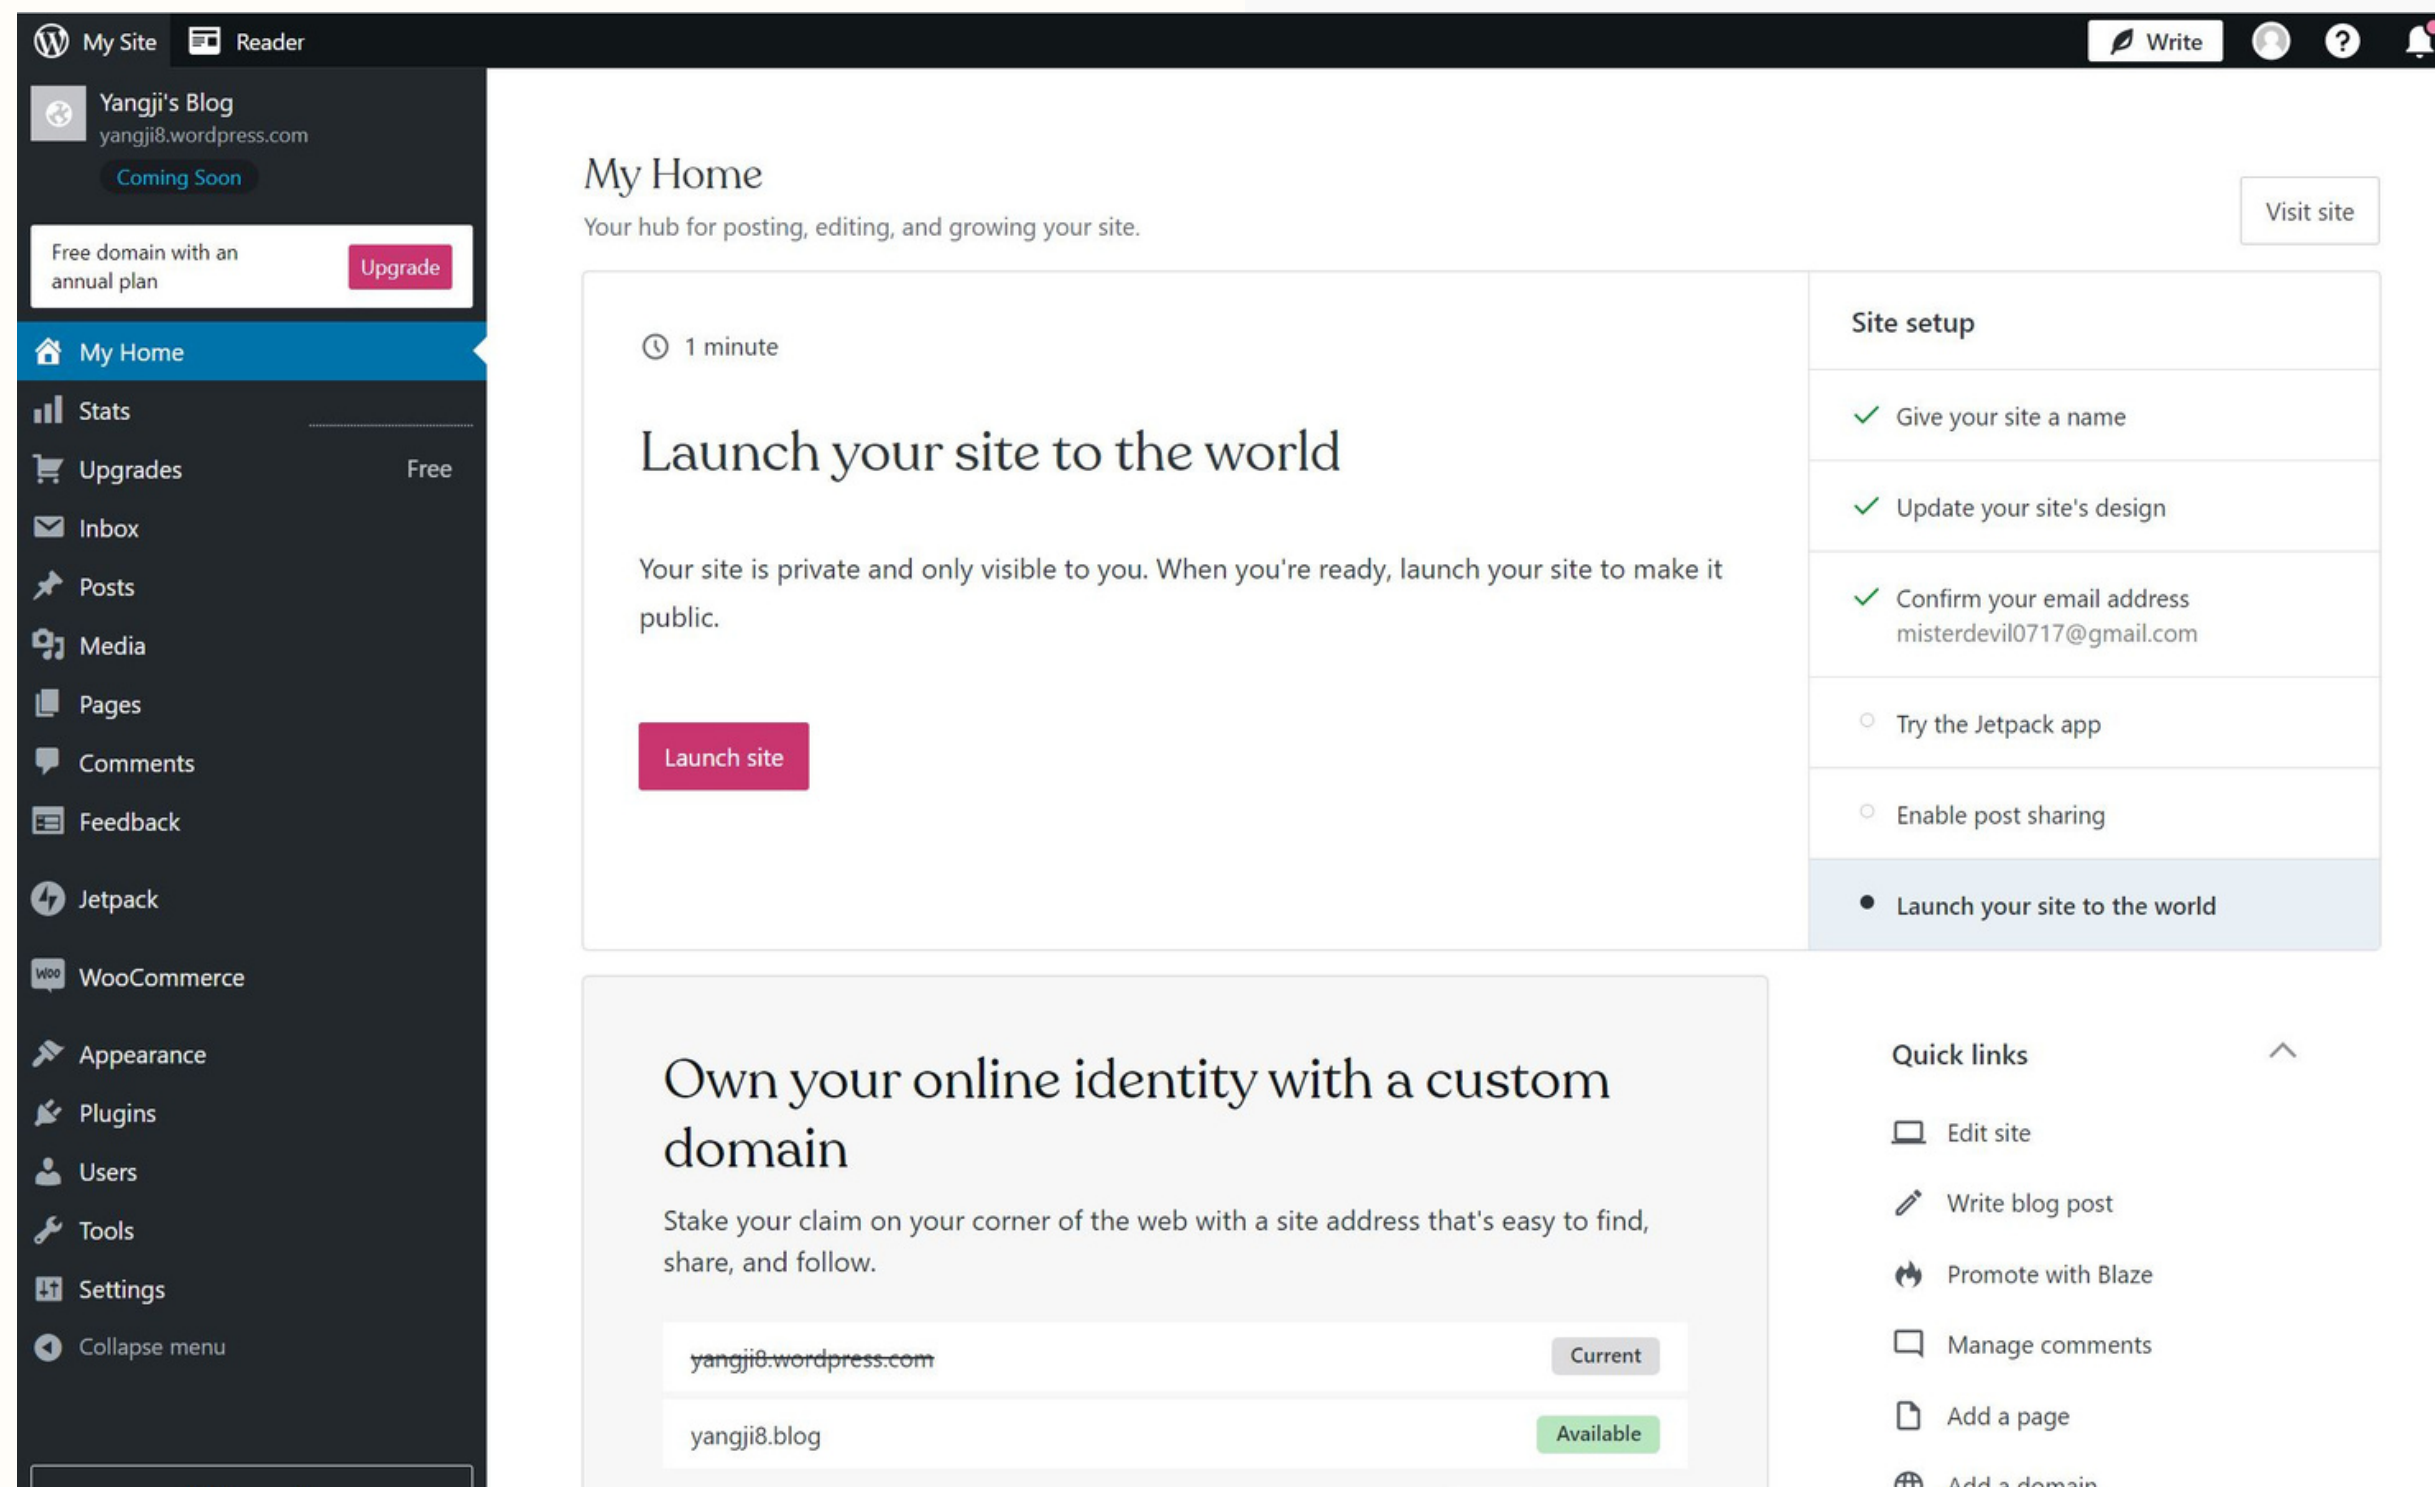

Give your site a title and add a site tagline as you wish. This is too let the visitors visiting your site know a brief on what actually your account is about.

Then verify your email

This option is for you to share the blog post on different platforms

Finally the last step is to Launch your site so anyone with the link of your post can view it.
